

**WISDOM TEACHINGS FROM ARCHANGEL MICHAEL \*\* JULY 2021**  
**RONNA VEZANE / SACRED SCRIBE**  
***SEEKING PEACE AND SERENITY FROM WITHIN***

Beloved masters, it is time to take an inventory of what you are habitually thinking and the emotional energy you are projecting during these critical days of conflict, turmoil, and stress on your planet. Are you diluting or distorting the aura of harmony you have created around you by allowing yourself to be caught up in the chaos of miscreation and destruction that is taking place on Earth at this time? Are you engrossed in the scenarios that are being presented over and over again via the television, radio and newspaper media? Have you once more allowed yourself to be drawn back into the density of the negative environment of misinformation and illusion?

If your answer is yes to any of these questions, you are adding fuel to the chaotic vibrations of the negative mass consciousness belief system with your energy instead of adding your Love, Light, and Power to that of other emissaries of harmony and serenity throughout the world. Will you stand on the side of those whose greatest desire is to bring about a peaceful solution for the greatest benefit of all — or are you unintentionally aligning with those who wish to perpetuate separation, suffering and domination?

We do not mean that you should not stay informed as to what is taking place around the world; however, we are saying that now, as never before, you must rise above what is occurring and join us as observers from a higher vantage point: a vantage point where there is no right or wrong way, only different shades of truth and different motives; a vantage point where no race, country or religion is totally righteous or blameless, nor totally in the wrong.

Remember, each and every Soul on Earth carries a Spark of the Divine within. You must stay heart-centered and Soul-focused as you attune to your Higher Self with a Spirit-inspired consciousness so that your actions and decisions are always in alignment with the Divine Plan. ***Then, beloveds, you will stand among the ranks of the righteous ones whose greatest desire is to return the Earth and humanity to a true state of peaceful co-existence in an environment where our Father/Mother God reign supreme.***

Granted, there are those who have agreed to play the ***devil's advocate***, those who are presenting your shadow-side to you in its most destructive way. There are others who self-righteously claim to have only the highest, most altruistic motives; however, we see and know the ulterior motives behind the decisions that are being made, as well as the actions that are being initiated in the name of peace and justice. ***The game of duality is being played out on Earth in its most dramatic form right at this moment, and it is up to you whether or not you will be drawn into the swirling, downward spiral of mass karmic action that is currently taking place.***

We have spoken many times before about the *laws of cause and effect* or “for every action there is a reaction,” which results in what is known as negative or positive karma. For

many Ages, you, as the en-Light-ened ones, have been working diligently to bring into balance your personal karma, ancestral karma and race karmic influences. That was a major part of the game of duality and polarity – returning to balance and harmony in all Facets of your Beingness.

There is much conjecture about what will happen now as the winds of war, conflict and destruction swirl like a dark and heavy cloud around the Earth, touching and affecting everything and “everyone.” Dear ones, it depends on what you are feeling and thinking. What is on your mind and in your heart? Are you standing firmly in the Light or are you adding to the negative karmic thought forms that are being created each and every moment? Many of you have succeeded admirably in balancing your karmic ledger of life. Symbolically, imagine that you have a plus and a minus column, and your goal is to turn the minuses into pluses or positive energy patterns.

We are not asking you to passively sit by the wayside and do nothing. You are being asked to stand up and be counted, for your dynamic Life Force energy is needed now as never before. You are much more powerful than you can imagine, my brave friends. Make no mistake, you **ARE** playing an important role in attaining a peaceful solution to a very unsettling world situation. The collective energy you and other Light Workers are radiating forth from your heart centers has just as much an influence on the outcome of this great conflict as those who are on the “front lines.” You, too, are on the front lines, so to speak, for you have the ability to tap into the pure, unmanifested Adamantine Particles of Creator Light, so that you may mold them into powerful positive thought forms and actions that can overcome any adversity.

It has disturbed many of you that we use the terms “*Warriors of Peace*” and “*Warriors of Light*” or what might be construed as militant terminology. Here again, there are many different interpretations and different Facets of truth. Ever since the Earth’s and humanity’s fall into the density of separation and pain, we have fought diligently for you and with you. We have fought the shadows of illusion and the negativity, which were created by your collective consciousness beliefs of fear, guilt and unworthiness. We have endeavored to assist you to reconnect with your Divinity and to help you remember how magnificent you truly are.

We have also diligently carried out the orders and directives handed down from our Father/Mother God and the Creator, “***Assist our children to return to the Light and to reclaim their Divine Heritage.***” ***Yes, we have been involved for eons of time in a war between the Light of the Creator and the shadows of humanity; however, our weapons have been love, compassion, understanding and support as you traverse the valleys of despair and seek to soar to the mountain tops of hope and illumination.***

If you will join us in our efforts to bring Light unto the shadow world and hearts of humanity; if you will stand firmly in your convictions that ultimately right will prevail (knowing that only our Father/Mother God are aware of the total picture and what is truly the best outcome); if you can maintain a sense of peace and joy within and radiate the expansive love of the Creator to **ALL** humanity, ***then you are truly a warrior in our Legions of Light.***

Those who protest, shout and march for peace are adding their energy to the melting pot of chaos. They are not offering solutions or taking positive action, but laying blame and protesting the actions of others, declaring that non-action is the only way to achieve peace and harmony. It is another form of fence-sitting or not taking a stand. We have told you many times before, it is time to *get off the fence of inertia and indecision*, it is time to declare which side you will serve — the Light or the shadow side. It is time to declare that you are an Emissary of the Light, a blazing Spark of the Divine, and a cocreator of love, joy, abundance and harmony. Or a human being who is willing to take the easy way by following the dictates of others, thereby, for the time being, putting aside your Divine Birthright.

***Peace and serenity are not the same.*** Peace refers to the Third- and lower Fourth-Dimensional fields of consciousness, which are primarily dominated by the emotional nature of humanity. Every step forward on the Path of Light is marked by conditions or challenge and chaos, interspersed with periods of integration and a sense of peace.

Serenity of mind and emotions creates a deep calmness within, which is free of any emotional disturbance, and therefore, the emotional nature is focused within a very slim spectrum of duality. The highest choices are the rule, and a detached view of all circumstances is maintained. Peace is a lower density state of consciousness, whereas serenity is a Fifth-Dimensional, emotional quality.

“Peace” is an often-used word in these unsettling times and can be interpreted in a multitude of ways. You use the term “*peace of mind*,” which means having a calm, tranquil state of mind, which is free of discord, inharmonious thoughts, or mental conflict. Peace can mean a mutual agreement between two people, a family, a group, neighborhood, city or nation which benefits all who are involved, and brings about a calm, serene and secure atmosphere, as well as lawful order. It can also mean a treaty or agreement to prevent or stop a conflict between two dissenting factions. You may be called a peaceable person or a pacifist because you are inclined toward or you seek to promote a peaceful environment. You may “*seek peace*” or endeavor to “*keep the peace*” through conciliatory actions or by settling disagreements through compromise.

Peace is the end result of achieving harmony and balance in any situation. Peace is never attained via the emotional nature or mind of the ego, but through the higher vibrational energies of Spirit, which always seeks the greatest and best outcome for **ALL** concerned. In your world of duality and polarity, the optimum goal is to seek harmony and balance in all things; however, this harmony must begin from within. It must blossom within the heart as you allow Spirit to descend and once more take dominion within your physical vessel. ***Then you will begin to see through eyes filtered with love, and you will listen with ears tempered by compassion.***

You will know that all you ever require is yours for the asking, and you no longer seek to

take that which belongs to another. You will always strive for a win/win solution, and you know that when one loses, everyone loses as well. You become champions of Light, and you walk softly but courageously as you carry the blazing etheric sword of Divine will, honor, truth and justice. You affirm what is your truth, and you live your truth steadfastly with integrity and humility, teaching by example, and allowing all others the same right.

You must first seek **peace** from within, beloveds, and when you find what you are seeking, you will radiate an aura of **serenity** out into the world where it will be joined and magnified by that of others with a peaceful and harmonious nature. Together and in force, you can overcome any adversity, and you can create and enhance the cells or areas of Light that you are building on Earth, as well as within your new Fifth-Dimensional environment. And when those thought forms of Light reach a certain level of magnification, they will miraculously begin to manifest on the earthly plane. Many of your visions are nearing that point, and they will manifest seemingly without effort. The final touches are being made, and the preparations are almost complete, beloveds. Now watch for the wondrous results of all your steadfast efforts.

Humankind's inhumanity toward one another has been an ongoing, never-ceasing process since the fall into density. Peaceful co-existence has hardly ever been the ultimate outcome of a conflict. The underlying intent has most often been to conquer, seize, and force others into submission, without any consideration for the welfare of those caught in the middle or forced to fight.

We explained some time ago how the chasm between the Light and the shadows has been increasing for some time. However, gradually, the vibrational patterns of Light are being superimposed over the Third- / lower Fourth-Dimensional world of illusion and shadows. This condition is becoming more dramatically defined every day. It is imperative that you stay vigilant, heart-centered and Spirit-inspired each and every moment. You must learn to set assertive boundaries, and constantly reinforce your shield or column of protective Creator Light. You must listen to the whisperings of your heart, for that is where your angelic guides and teachers will leave gems of wisdom for you to access and use.

Go within, my faithful companions, and remember how, so many eons ago, we soared the Universe together as we created new galaxies, worlds and civilizations beyond your wildest dreams. Remember how you had available to you all the Divine substance of Creation, and all you had to do was envision something and it miraculously appeared before you. Try to recall the many forms you have taken – some human – however, also many different forms in a variety of compositions, textures and features, but all beautiful and perfect in the eyes of our Father/Mother God. It is important that you remember that you have experienced every Root Race that has ever populated the Earth, meaning that you have been every color, and you have borne the characteristics of every Race now embodied on the Earth Plane. We are telling you that you, the StarSeed Souls, are multi-faceted Beings who have experienced all the richness and diversity that this Earth, this solar system, galaxy and Universe have to offer. And so how

can you judge your brothers and sisters who are following on the Path behind you, because in this lifetime they have different colored skin than you, and they have different customs, beliefs and worship differently or call their God by a different name? It has been said, but it bears saying over and over again, "**YOU ARE ONLY JUDGING YOURSELVES!**"

Remember, brave hearts, during these times of great change, you can make a difference. Shine your Love/Light for all to see. Allow us to assist you to fulfill your earthly mission and nurture you with our love. Together, we shall prevail. I AM Archangel Michael.
