LAW OF THE CIRCLE * LAW OF THE TRIANGLE

THE CIRCLE REPRESENTS UNITY * COMPLETION
THE TRIANGLE REPRESENTS CREATION * BUILDING * BECOMING
THE INFINITY SIGN REPRESENTS THE NEVER-ENDING FLOW OF DIVINE LIGHT.

Beloved masters, you have been living in an unreal world: *a world of illusion whereby the truth has been distorted, altered and even deleted in order to take away your God-given powers and keep you captive in a "reality" of fear, struggle and deprivation.*

The Creator's master plan for this Universe is stored away within your Sacred Mind, and the key to the wisdom of the Ages and the ability to once again become a master cocreator on the Earth plane is stored within your Sacred Heart. That is why we have emphasized so often the importance of removing the protective shield you placed over your Solar Heart Center eons ago so that you would not feel so much emotional distress.

What you were not aware of is that by doing so your radiance was greatly diminished, for the inflow and outflow of Divine Creator Light from your Sacred Heart Center was also greatly decreased. As a result, you could no longer activate the Adamantine Particles of Creator Light with pure loving intent from within your Sacred Heart. Thereafter, you had only the half-spectrum Primal Life Force Substance to work with. Your Three-fold Flame could no longer blaze forth; therefore, your cocreative abilities to manifest were also diminished, and thus began the struggle to tap into and use your Divinely bestowed attributes and talents.

You are in an era of **great reversal, rectification and expansion**, whereby you are being given an opportunity to harmonize all the negativity you have personally created along with the inequities that were forced upon you. We have explained that when you, the **StarSeed**, began your journey out into the great void and the unmanifested Universe, elaborate plans for the pathway back into the refined realms of Light were made and put-on **hold** until the appropriate time and certain conditions were met.

That time has arrived, and the plan was activated in the early 1980's of Earth time. As you are aware, every phase of life for humanity and the Earth has radically changed in the last thirty years. Beloveds, be aware that what has occurred in the recent past is only the beginning of even greater changes, and we are endeavoring to give you techniques, advanced information and teachings, along with every opportunity to traverse the waves of change with ease and grace.

We have explained briefly, in several ways, how you refracted into smaller Facets your Divine White Fire Seed Atom of God Consciousness to prepare you for your journey into the denser, reduced-frequency, lower-Dimensional realms of existence. When you answered the Clarion Call and agreed to be a part of the experiment in duality and polarity within the Sub-Universal experience, we have also discussed how each Fragment of your Divinity then separated into two Sparks of Light, one with feminine attributes and the other with masculine characteristics.

Each one of those profound separations was accomplished within a small Pyramid of Light created expressly for that purpose. The master plan was fail-proof; for each time you divided your Essence, you left an etheric replica waiting for the time of reunification within one of the small pyramids of Light. These Personal Pyramids are scattered throughout the Universe in every

Dimension and many of the Sub-Dimensions.

Our Father/Mother God, the Elohim / Builders of Form, and the Archangels have created living Pyramids of Light within every level of Creation so that you could gain access to the building blocks of life. These life-giving forms give access to the frequencies of Light which are necessary components of transformation so that you, as human Beings, can return to a state of higher consciousness—your Divine state.

You are now in the process of reclaiming all the multiple Facets of your Soul Self within the Third and Fourth Dimensions so that you may move forward to a greater, more dynamic and expansive version of your Higher Self within a Fifth-Dimensional environment. To assist you in accomplishing this, your Diamond Core God Cell and your personal Flower of Life Creator Wheel contain a full measure of the Twelve Rays of God Consciousness for this Sub-universal experience. They were designed so that when you were ready to begin the return journey into the higher levels of consciousness, you would have access to your own **FULL SPECTRUM DIVINITY**. Your task is to activate these Rays, to incorporate the God qualities and attributes they contain, and then to use these qualities and attributes for the greatest good. There is still much confusion as to what the Soul is, how it functions, and where it resides. It is vital that you understand the intricate process of reconnecting with the many Facets of your Higher Self. It is also important that you gain clarity about the more in-depth teachings we have given you regarding the multiple **Higher Self Fragments** (you have many, not just one) and the process for incorporating these multiple Facets of Self.

The **Law of the Circle** has been initiated throughout this Universe, and the energetic impact of this grand Supreme Creator Seed Thought is now operating in full force. The time of expansion for this phase of Creation has come to a close, and the current phase of the cycle entails the Creator sending forth **ITS** Essence to incorporate **ALL** that has been created during this particular cycle of expansion. It is a merge of all the balanced, manifested Essence of Creation so that the Supreme Creator, the Cocreator Gods and Goddesses throughout this Sub-Universe, and all the Great Beings of Light can **KNOW** and **EXPERIENCE** all that they have created. You have heard the saying many times, “**As above, so below**,” and this is an important truth to remember. Just as you are reclaiming all the Facets of your Divinity, the same reunification process is occurring from the Supreme Creator Source.

The information we have given to assist you in reclaiming your cocreative abilities is a microcosmic duplication of the creative process throughout the Omniverse. First, you must gain the ability to draw forth the Full Spectrum Metatronic Light / Life Force of this Universe called Adamantine Particles, which is radiated forth into the River of Life from the Heart Core of our Father/Mother God. It becomes accessible when your Energetic Signature is attuned to the mid-Fourth-Dimensional level and higher.

In order to take advantage of this Divine gift, you must understand and apply the Universal Laws of Manifestation, and you must activate the Adamantine Particles of Light with your pure intention before this Essence of Light can be activated and flow forth out into the world. To speed up the process, it is important that you have created your own personal Creator Wheel / Flower of Life circle around you, and you have filled it with your carefully planned grand design for the future. Thereafter, via the Infinity Breath, your focused intention and deliberate actions, the process of manifestation in the material world is greatly accelerated.

The ebb and flow of Creation is never-ending. There is a Still Point pause while the Seed Thoughts are being formed and coalesced, and the Essence of Life is activated within the mind and

heart of the Creator and at every level of Creation, down to you, a human cocreator on planet Earth. This is accomplished by infusing and activating the Seed Thoughts with unconditional love. The Seed Thoughts are then breathed out into the void to be manifested in the world of form. This process continues through each great cycle until it is time for the return and reunion process to begin. All Creation is in the process of being incorporated into the grand Creator Circle of Divine Light in anticipation of the next great Still Point pause, and the next momentous cycle of expansion. This process is repeated over and over again at every level of Creation within this Universe.

You are in the midst of a cosmic reunion process, my brave friends, and you will evolve in due time, in one way or another. You must be aware that this transformation process is a long and complex cycle; however, it can be a grand journey if you will take advantage of the wisdom teachings and the tools we are offering to you. The **LAW OF THE CIRCLE** states that every new creative endeavor must begin from within the Still Point of Will and Power, the Core Essence of the Creator and each cocreator.

The **LAW OF THE TRIANGLE** is another important component of Creation. You are familiar with the **Trinity** concept from your Bible: Father, Son and Holy Spirit, which in actuality is the **Masculine Facet of God**, the First Ray of Divine Will and Power. The **Holy Spirit is the Mother Aspect of God** whose Cosmic Womb has been infused with the Seed Thoughts – Adamantine Particles – from the mind of the Father God. The Seed Thoughts are activated with the Second Ray of Love/ Wisdom from within the Heart Core of the Mother God, and then radiated forth out into the Universe via the River of Life, to be used by the **Suns (Paradise Sons and Daughters)** through the qualities, attributes and aspects of the Third Ray to create worlds and wondrous things without end.

The pyramidal form, either three or four-sided, is the method whereby you access and gain entrance into the higher Dimensions of Light. The higher realms function within a three-fold balance, a **Trinity of power**, the Sacred Fire of Creation. The four-sided pyramid is representative of duality within the Third- and Fourth-Dimensional realms of existence.

The **Power of the Trinity** has been a driving force throughout this Universe. AA Metatron, Lord Melchizedek and I, Archangel Michael, have been given the privilege to form a Trinity of Consciousness within this Universal level. We bear and **RAY-DIATE** the Divine Light * Divine Wisdom * Divine Will aspects and qualities of our Father/Mother God out into this Universe. The **Trinity of Consciousness** is an important component of the creative process, for you must use the attributes, qualities and aspects of all three powerful **God Rays** if you wish to become a successful, proficient cocreator of form at any level of Creation.

You, the **StarSeed**, have joined with many groups, large and small, throughout the Universe, and you have accepted special assignments which were to be carried out as a group in various locations and at specific times. We have mentioned before that you have been encoded with time or event triggers – Memory Seed Atoms – within your Diamond Core God Cell, which have been or will be activated at the designated time, or when a specific part of the Grand Plan is to be initiated. You have been a part of many **Trinity Cell Seed Atoms**, which consisted of special assignments of the highest order. These Triads are usually composed of close Soul companions, or Souls who have had many special assignments together in the past and will also come together in the future. Groups of **three, nine** and **twelve** are joining together more and more often during these times of reunion, and this will occur even more often in the future.

Are you ready to expand your vision beyond your private little world or microcosmic reality?

Are you ready and willing to accept the truth that you affect everyone and everything within this Universe, to one degree or another, and that everyone on Earth and in every other realm also affect you? We ask each of you, ***“Are you ready to use the wondrous gifts that are your Divine Birthright? What will be your legacy to humanity and the world?”***

Reach for the stars, beloveds, for there is no limit to what you can manifest when your visions are in harmony with the Divine Plan for the greatest good of all. Call on us and we will assist you in bolstering your resolve. Know that we are ever near to inspire, guide and protect you, and to radiate to you the love of our Father/Mother God. I AM Archangel Michael. ***Transmitted Through Ronna / Sacred Scribe***

***RADIATING ADAMANTINE PARTICLES INTO
THE MANY PYRAMIDS OF LIGHT YOU HAVE CREATED
RONNA / SACRED SCRIBE***

***WE NOW OFFER YOU A PRECIOUS GIFT. AS A WORLD SERVER,
WE ASK YOU TO SHARE THIS BLESSING WITH THE WORLD.***

If you are willing, before you fall asleep, go into your personal pyramid of Light. Lie on your crystal table, where there is an Etheric Replica of your Soul/Higher Self. Envision a stream of Light flowing from your Personal Pyramid upward into the World Pyramid. Follow that stream of Light and envision another Etheric Replica of your Soul Self in your personal crystal chair within the World Pyramid. These Etheric Replicas of yourself will, henceforth, remain in place so that the flow of Creator Light can flow freely back and forth between the different Pyramids you have created. There will also be a smaller stream of Light that will radiate a small fraction of the Sixth-Dimensional frequencies into your Personal Pyramid, if you have connected with the higher-Dimensional City of Light in your area, via the meditations Archangel Michael has given us. There is also a stream of Light, which flows from your Personal Pyramid of Light down into your physical vessel, so that you are constantly receiving a flow of Creator Light / Adamantine Particles. You will also be sharing the Light you have activated with your loving intention, your sacred breathing techniques and your affirmations. This is true tithing, dear friends. What greater gift could we give than to share our God Light with others?

AFFIRMATION: I AM MADE OF PURE GOD SUBSTANCE. I EMBODY AND RADIATE THE ESSENCE OF OUR FATHER / MOTHER GOD. SO BE IT! SO IT IS! Angel blessings, Ronna

******FIFTH-DIMENSIONAL LIGHT QUARTZ CRYSTALS AND THE NEW DIVINE BLUEPRINT VOGEL-CUT CRYSTALS ARE AWAITING THE OWNER TO IGNITE THE SACRED PROPERTIES WITHIN THE CRYSTAL THEY ARE DRAWN TO CLAIM AS THEIR OWN.***

“Beloveds, use these precious, solidified fragments of Light to enhance your latent extra-sensory abilities and to strengthen your connection with your Higher Self, and eventually your magnificent God Seed Atom. They are your companions on this journey of ascension into the

realms of Light.

"In the past, we have explained how, as the Earth was formed and made ready for human inhabitation, there were gigantic crystalline spires of Living Light implanted deep within the Earth that also extended high into the skies above ground. These sentient spires, which surrounded the world, were the receivers and senders of the sacred geometric codes of Light from the Great Central Sun, and the energetic codes/frequencies of the Earth were then radiated back into the higher realms so that the great Beings of Light could monitor the progress of Earth and humanity.

These magnificent pillars of Light were also used to modify and refine the Divine Blueprint and the frequencies of Light which were being sent forth onto the Earth and throughout the grid system. When the Earth fell into the density of the Third/Fourth Dimensions, there was a dramatic increase of cataclysmic events whereby most of these great spires were broken, shattered and buried deep within the earth. Only a few of these magnificent sentinels remain; however, they are disguised by a cover of plant material or layers of soil and rock.

These wondrous crystal friends that are returning to you during this miraculous Age of transformation are fragments of those great spires. Is it any wonder that they are becoming so precious to you as they help you retrieve some of the wondrous memories of your ancient past and create visions of your home among the stars?"

THE NEW DIVINE BLUEPRINT VOGEL-CUT CRYSTALS ARE MASTER MAGNIFIERS. Your VOGEL CRYSTAL will enhance and magnify your positive thoughts and the vibrational patterns you project, and it will also unify and enhance the power of your other crystals, for it will create a harmonious interaction between all your crystals. Attune to your Vogel-cut crystal when you receive it via the Infinity Breath and your intention, and then place all your other crystals closely around it so they are all touching. After saying some appropriate affirmations, do a series of Infinity Breaths and blow on the crystals on each out-breath. You and your crystals will then be connected by RAY-diating streams of God-Light containing your New Divine Blueprint for the Aquarian Age. \$35.00 plus S & H ** STAR*QUEST ** www.StarQuestMastery.com
